

Advantages

- 30 years of global manufacturing experience
- Medical grade products with highest quality and international certifications
- Highly dedicated R&D and technical support team
- Provide flexible custom-made solution by adding product values

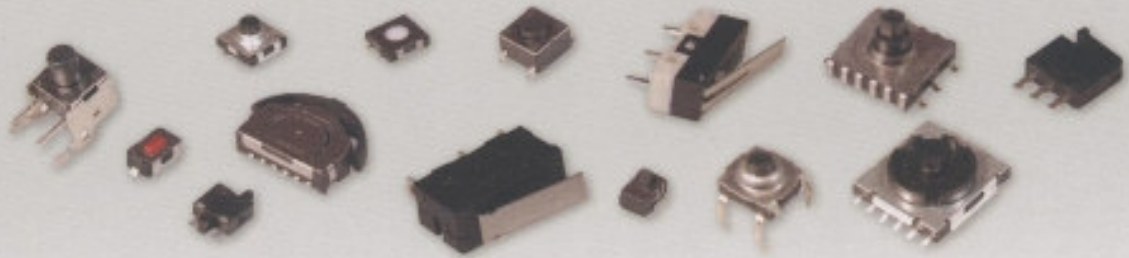

關於泰瑋

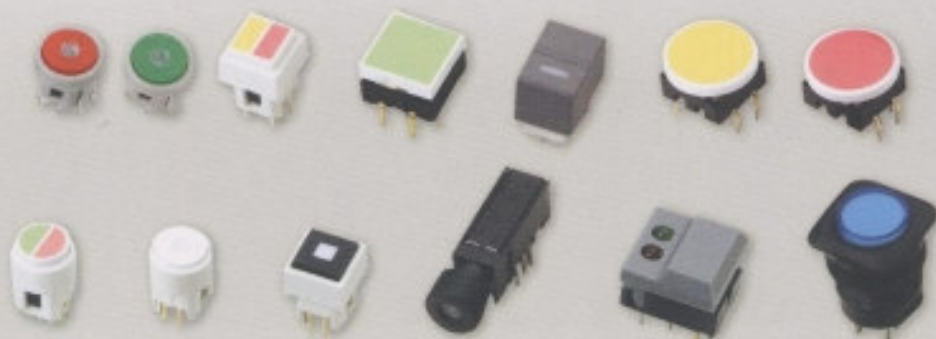

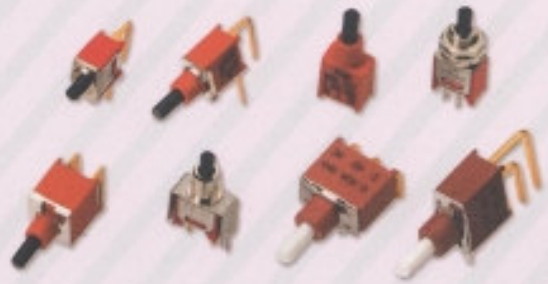

公司成立於1976年，身為一個主要的開關製造業者，泰瑋最重視產品的品質。為了保持公司產品和服務的高標準，我們已經實行了一系列ISO國際標準組織的流程，以確保產品能夠符合需求。再者，考慮到產品的安全性，本公司在全部的產品出貨以前，都經過符合國際標準的嚴格評估和測試，以確保產品的品質優良且符合環保。我們期盼，「泰瑋電子」能成為顧客心中「品質」和「安全」的保證。

About Taiway

Established in 1976, being a leading switch manufacturer, product quality is always the most important aspect to us. To maintain the highest standards for Taiway's product and service, we have implemented a set of ISO standard to ensure our product that is with customer's requirement. Besides, all products have been evaluated and tested respectively by international standard regulations prior release to the markets and ensured that all products are environmental -friendly. We want the name of Taiway's products under quality and safety standard to the public as a role model in the switch territory.

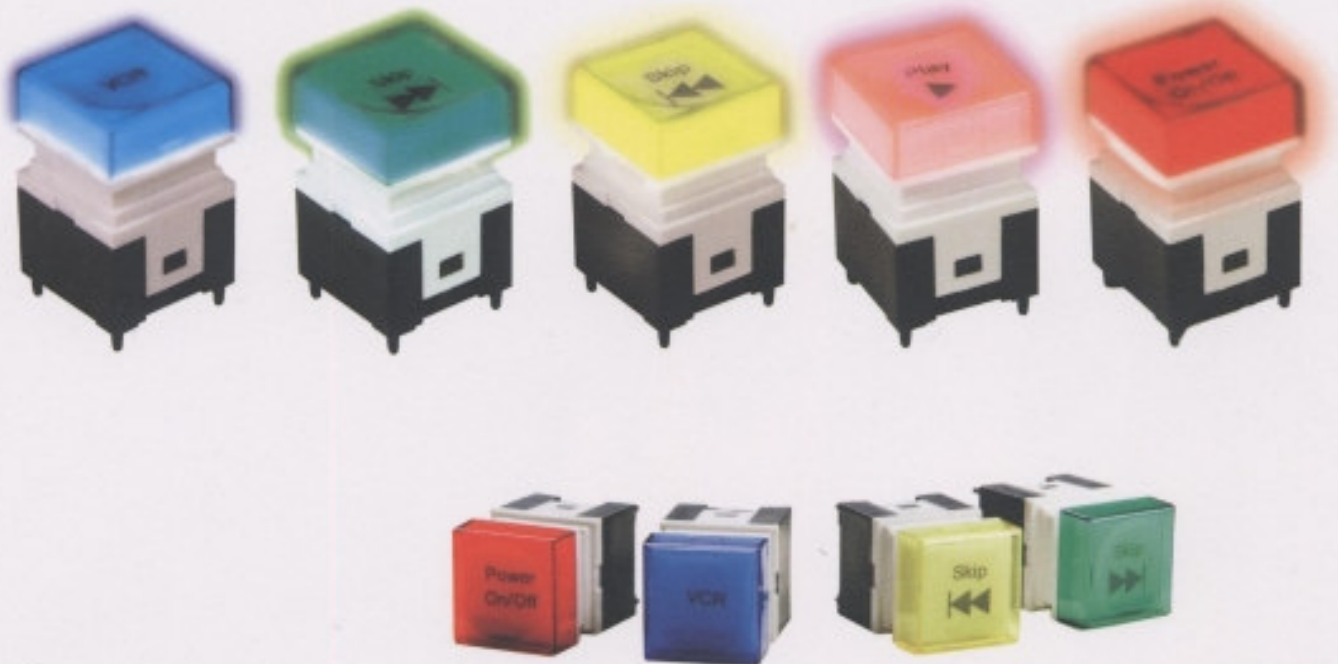

Application Consumer Products
